Words cannot express how very sad I am for myself but especially for Cameron's family. He was one of a kind from his lack of a belly button (yes, he had to show me on day one of school) to his funny antics in class and his sweet soul. I am honored to have known him and taught him and loved him for the time that I had with him. I will never forget him because he was the kind of person that made that kind of impression on you. My heart hurts for anyone that is grieving Cameron. I will be thinking about you all and wishing you some peace and comfort.
