“ Wendy, Jordan, and Family-

When I came across the news of Alyssa's passing, I couldn't believe what I was seeing. From working at FCHS and having a daughter myself who graduated with Alyssa, my heart is tremendously heavy for you Wendy...as I know life wasn't at it's easiest for you, already. I am so sorry that you are having to go through the unimaginable pain of losing a child..a bright, beautiful, sweet soul of a child. You have proven to be such an incredibly strong woman throughout these past several years. I couldn't imagine. I admire your strength. The Lord is always on time, even if the timing isn't good for us. I will pray that you feel His presence with you, wrapping you in His blanket of peace, love, and comfort. I will always remember Alyssa and her sweet smile.

Love,

“ I'm so very sorry for your loss. I only met Alyssa once, but she made a big impression. She was very excited and optimistic because she'd just been added to the donor list. I told her she could have one of my kidneys, but she said we weren't a match based on my blood type.

I lost my father to kidney failure last year. My former boss and dear friend of nearly 20 years currently is in end stage kidney failure.

Please know that in the span of ten minutes. Alyssa inspired me to donate a kidney. While I was unable to save her, I hope to help someone else and I plan to be screened as a kidney donor to honor Alyssa and others.

“ Since freshman year at Fox Creek HS days, my granddaughter, Sophie, and Alyssa have been best friends! They shared happy and not so happy times together. Living miles apart for the past couple of years, we could hear giggles, see makeup trends and new hair changes/colors that were often witnessed via facetime! Alyssa will be greatly missed by all of her family and friends. Blessings to all!
