“ I will never forget the day I first met you. It was the first day on my new job. You welcomed me with open arms and told me we would make a great team. A couple years later you invited me to church. Little did we know that we would attend the same church for over 20 years together. Your family became our family. You were always positive, encouraging, inspiring, kind, loving, stubborn, and upbeat in everything you did. I will miss you and your sweet smiling face! My condolences to this special family and I pray that you find peace and comfort during this difficult time. Love always, Terri
