“ My Aunt June was a wonderful woman, so kind and thoughtful. She could put a smile on on any one's face. I will never forget her or her husband Uncle Bob, they were always there for our family and we are so thankful to have such wonderful relatives. May God bless all of my cousins whom I love dearly. “ Mrs. Hill and her family lived down the street from my family when I was growing up in South Florida. My brothers and I went to school with her children. Later, when I had children, she was two of my daughters preschool teacher. She was always the sweetest woman.
Her daughter Darlene and I became very good friends and when they moved to North Carolina we continued to remain close. We are still the best of friends.
I know all of her children and send my deepest sympathies to the entire Hill family.

Sincerely with Love,
Donna Nickerson
