“ Thank you for giving us a way to participate "virtually" at the service yesterday! It was a beautiful service and a loving tribute to Aunt Marilyn and all she has done with her life!

I wanted to share a memory with everyone! When I was 5, I traveled with grandma and grandpa Schwallie on vacation to the Smokey Mountains and to visit Aunt Marilyn and Uncle Ray. During the time we stayed with you, Marilyn taught me how to play her piano and build a repertoire of a few memorable songs. When I went home, I told my daddy that he needed me to buy me a piano because I was now a "pianist" like my Aunt and I needed to practice and continue to learn more songs (for the next time we traveled to visit you). He did allow me to take lessons from the nuns and walk/bike to the convent to practice (for a year!) before he gave in and bought me the piano. I continued to play through high school as the accompanist! My husband John bought me a baby grand to continue to play, after we were married a few years. I still have it in our current home and enjoy playing! Thank you to Aunt Marilyn for being my early advocate!

Our thoughts and prayers are with all of you!

Love,
Sandi (and John)

“ What an amazing person and what a remarkable life. We feel so blessed that Mrs. Kroger so generously shared her kindness and her light with us. We know you will miss her greatly, as we will as well.

The joy she brought to all through her talent as a musician - and personally to Bob, Dodger and I - will always be remembered. We will ever cherish the memory of singing God's praises with her in the choir.

Please know that as you celebrate her life, we have you in prayer and in our hearts.

Yours in Christ,
Lorraine and Dodger Stuckey

“ Cathy and family,

Your Mom was so much larger than life in the breadth and depth and history of our OLP family! How difficult a loss for us all, though certainly especially for you. But how much more are we all, so much more for having known your Mom. Countless, countless events and liturgies stamped with her influence and grace – school events, Sunday mass, feast days, weddings, funerals, the church choir - the list is endless - all raised to a higher level of perfection and praise through your Mom's gift of music, helping us all to worship more thoroughly: qui canit bis orat - he who sings prays twice. So often she led us in song. I dare say there isn't one OLP family of old not personally touched by your Mom's gift, so freely shared. Your Mom helped us to sing; now we sing for your Mom and her eternal peace. And how happy the inhabitants of heaven must be today to have another voice in the celestial choir. Certainly the rhythm just improved.

Grant unto her O Lord. And let perpetual light shine upon her.

Pax Vobiscum.

“ Marilyn Kroger will always hold a special place in our families heart. Marilyn flew back early from a vacation in Ohio when Dad (John Knapp) died. Marilyn wanted to play the organ for Dad's funeral. We liked to think that Dad and the choir is singing and Marilyn is playing the organ. Thank you for sharing your mom and wife with us. We loved her and will never forget her!
