“ Al, Popie, and families,

Our condolences on the loss of your mom. Your parents were the best next door neighbors we could have had. They were wonderful people, and we were honored to have known them.

“ To All of Mary Frances's Kindred:

Cindy and I are heartbroken to learn that Mary Frances is no longer with us. We are also disappointed that this COVID-19 pandemic will keep us from personally being with you to pass out hugs and words of encouragement. Please know that we are with you in spirit and praying for you all as you grieve our loss.

Some of my earliest childhood memories are of the very kind Lown family who lived on Stanton Drive in North Augusta in Hammond Hills, as I did with my family. Those early memories from the 1960's were just the beginning of many happy times spent with all y'all.

Mary Frances always, always, remained thoughtful of others. Both she and Buren were tremendously good friends to me and my mother, Betty Pearce. Mary Frances had a quiet calm about her, with keen insights into most every situation. She taught me grace and poise, and how to maintain it when everyone else around was losing theirs!

To this day, we have several Lown-raised camellia bushes on our property. When I pass them, which is every day mind you, a smile comes to my face because they remind me of people who were very important in my life. Mary Frances was most definitely one of those people.

When you meet members of Mary Frances and Buren's extended family, you are meeting some of the finest folks in the CSRA as far as I am concerned. All of you have worked very hard, and shown us all the value of your hard work. To me, you make a significant and lasting tribute to what Mary Frances held dear by what you do every day. All of us need to follow your lead. Rest in Peace Mary Frances. I will remain one of your neighbors who is a better person for having known you.

From Richard Pearce and his family.
