“ So sorry to hear about this Shelby. I worked with Butch at Plant Vogtle since 1984, we were hired on the same day. He was always talking about you and Virginia. I know you will miss your mom, and I just wanted to share this memory with you, God Bless.

“ Shelby

Sorry for your loss. I worked with your father at Plant Vogtle and carpooled with him. Met your Mom at their home in North Augusta. She was so sweet. Miss seeing them as they moved and I didn't know where.

Would like to know where your father is now.

Truly good friends that I miss .

“ Shelby Jean,

My heart is hurting for you, the loss of a mother is never an easy thing to go through now matter what the circumstances may be...and I'm sorry I can't be there with you....

Your mom will always be a part of my favorite memories from our childhood & times spent together not only in PA but in SC too...

My love for Duke's was all her doing ...

I have thought of her every time I eat a bologna sandwich with Duke's and of course chips on the side

I have great memories of her from your Chapel Valley days before yinz moved away & numerous memories from the time I spent with yinz in North Augusta SC that one summer...We had a great time horseback riding that one day when I was waiting for you to get off work at the video store.

I will always be here for you SJ, I'm a phone call away, I wish I could be there to help you through this difficult time...

Please give my condolences to Butch & the entire family...

sending hugs from MB to SJ in PA

RIP Mrs Machak "Virginia"
