“ *Michael Cheeks will always be a fond memory of a true friend. Mike would always liven up the moment. He was often the person to step up when someone was in need of a friend to help out or just sit and talk. He had a very kind heart filled with love for others. He was a very dedicated father who would always talk and show pride for his children. Michael Cheeks, you will be missed but never forgotten. You were one of the first people to welcome me to Aiken, and remained a very dear friend. God Bless You.*

*Michael left this world much to soon. The way he brightened up a room with laughter and smiles is how I will remember him. And singing Billy Ray Cyrus song with me. Achy Breaky Heart. The children will miss him more than anyone. My heart truly goes out to them.  
RIP Sweet Cheeks 🙏*

“ Cheeks was a good guy. We shared the same birthday and had some good times. Cheeks liked sushi so we had dinner a few times and shared some laughs. His death really caught me off guard. I know he had alot on him being a father to his daughters. I hope they read this because he loved his girls. He talked about them all the time. Cheeks was just like all parents that were split up, he wished he could spend more time with his kids.
