“ Dad even though I never expressed enough what you meant to me especially when I was younger, I was and always will be proud to call you my dad. There was so many things I needed to say to you and I never got a chance, but I did get a chance to say I love you dad. You will always be apart of me. If I'm half the Dad you were my son will turn out great. Please rest in peace, I love you.##imported-begin##Alan Bordone##imported-end##
