“ *Vosefski...My Darling!!! Words can't express how honored I am that I was given the opportunity to know you...care for you...and show my appreciation for your service and dedication to our country. I will never forget our conversations and how you warmed my heart with the many names you had for me (Meghan, May-ven, and Pay-ven) when I entered your room. You will be deeply missed.*

Mrs. Lina, my heart goes out to you during this time. The love that you and Mr. Vosefski shared will forever stay with me as a reminder of how one should truly love and care for their mate.

Susan and Kathy (My sisters), You two made your daddy so proud! He looked forward to seeing his girls and loved telling me about you both. I was always touched by the love you had for your father and it was beautiful to watch you care for him.

I will continue to keep your family in my thoughts and prayers.

Thank you for sharing

Mr. Vosefski with us!
