“ Hey Corky & Family, I am sorry to hear about your father. My family knows all too well your pain. I believe I saw your name on our visitation register at the funeral home when our father passed away in June. Please forgive us for not acknowledging your presence if you were there. It certainly wasn't on purpose if that was the case. There was just a lot of confusion going on that night and we probably overlooked a lot of people that may have been there. We had just buried our mother Jean on May 24 2006. Mom was terminally ill and we expected her death but not daddy's. Please take care and God Bless you and your family. The Family of Robert H.
