“ *Aunt Sandra with a heavy loving heart and tears in my eyes I will always remember you. you loved to come home to Bonnie Scotland and I can remember you dropping us off at the airport when we were coming home and crying saying u would love to come with us.*

You taught me how 2 make banana nut bread and how to cross stitch when I was over which I still do.

We have not seen each other for many year but you have never been far from my thoughts and you never will be my loving aunt.

Thank you and bert for my memories x
