“ I have only known Al for a short time. We met because of our employment with Dade Moeller and Associates. Al was one that instantly made an impression. I remember him going into Matt's Moeller's office to have his picture taken (as if it was his office). He always had that big smile. I loved his southern accent. May God send you His comfort through the difficult days to come.##imported-begin##Sallie D. Robinson##imported-end##

“ Lisa, Aaron, & Evan ~ Mr. & Mrs. Steedley & Mark,  
We can't even begin to tell you all how sorry we are. Connor especially just can't understand this and is so sad for Aaron & Evan. Al coached Connor on the Dodgers & Braves with Evan. He learned more from him than anyone. Al made him a great batter! What a wonderful teacher. He was really great with them! We have missed having him out on that field this year already. We will continue praying for you!##imported-begin##Connor Usry, Gina Usry-Padgett & family##imported-end##

“ Lisa,

*It's been many years since Patrice and I have seen you and Al. Seeing the photo of the big handsome guy brings back so many great memories. Al had a great gift for seeing the bright side of life, always keeping things in perspective. His wit and humor were a blessing for everyone whose lives he touched.*

*Sitting here, over a thousand miles away makes it very difficult to pay proper respects to you and your family. Please know that your husband and the father of your children is someone who I will always be honored to call my friend.##imported-begin##Michael Ford##imported-end##*
