Sorry to hear of your loss. John C and I worked together at IDOT for many years. Always enjoyed the times we had with John and Alice.

Dave – Over our years of working together, you shared glimpses of your mother through your eyes. Thank you for that. Seeing the pictures of Alice and her family told a great story of how much she was loved. Gates, the mother-daughter likeness is terrific. Dave, Gates, John and Philip, the passing of a parent is tough, it just seems that when it's your Mom, it is a lot harder. Lean on one another, enjoy the large family that you have, and I know that Alice will remain among you in your shared stories and memories.

“ *I doubt anyone may see this, as it has been several years since your mom passed.
My brother Bob and I still have fond memories of being friends with your family and sharing homemade ice cream and your mom's incredible cinnamon rolls, in Springfield.
We lived on College for only 2.5 years, in 1967-69, before returning to southern California. Although brief, they were good times, with your family, the Keyes brothers and many others.
I wish the best to the entire McKibbin family!
