It has been an honor to have blessed with knowing the entire Posey family. My heart goes out for each of you but rest assured your entire family is in our prayers. Having worked side by side with the Posey family, I know in my heart that The Lord is watching over each and every one of the Posey's as they mourn their loss. No words can really express the feelings that go through one's heart when they lose a loved family member, especially their mother. I love you all in the Posey family and know in my heart that you all are each being looked over with admiration from above. Their is a special place in heaven for all of the Posey family, May God Bless You All!

Walker, you did a beautiful job with your grandmother's video. I enjoyed watching the beautiful woman I met and cared for at NHC . Walker, she adored you with all of her heart. I enjoyed the stories she told about you and the family. It saddened me dearly to hear of her passing. She was a beautiful lady inside and out. She had a beautiful heart one that I see is passed on to all in her family. I thank God for allowing me the chance to get to know her and be in her presence. I thank God for your love and respect for your grandmother. I thank God for the Posey family, may He continue to bless you and be with you in this time of need. My heart, thoughts and prayer are forever with you.

I was very fortunate to be able to see some of the beautiful service, The music was lovely. I heard the first speaker and the wonderful things he shared. I heard the piano solo, Melissa, it was beautiful. I then heard the first part of Walker's talk, he made you feel like she was right there enjoying everything. I loved when he was talking about her nice china and how she loved using it every day. He was right, she always set a pretty table and made you feel so comfortable. I wish so much I could have been there, she truly was a great sister to me---

My heartfelt condolences are sent with thoughts and prayers

My beautiful Marie and beautiful friend, what lovely memories you leave with me, of times shared with you and my Pat Dunagan. Great times at the movies, marvelous dinners out, and visits to Bruster's. Best of all were the stories you shared of you and your sweetheart Dudley, especially your move to South Carolina. The Lord has opened His arms to one GRAND LADY.

This is the best. When I lost my hair, I replaced it with a red you know what. Marie would always comment, "I use to have hair like you. I would reply, "I want to grow up to be like Marie Posey. She would render the biggest smile.

I remember standing in her kitchen making fried apples and really feeling like I had done something amazing by the way she praised them. She introduced me to that desert and taught me how to make it. To this day it is one of my favorites and I think of her every time that I make it. She was kinda like those apples in that she always made you feel warm and good and happy.*

It is hard to express all the love I have for Marie. I was very young when I married her brother David, she literally took me by the hand and helped me grow up and be a better wife. We enjoyed so many good times together, some sad times too when Dudley and David were overseas serving in the Navy. She was a wonderful sister to me. A special rememberence. she said "Hank lets go to the studio and have a glamour picture made for our sweethearts" I said your kidding, we ended up getting the pictures. She had a great sense of humor, sometimes she made me laugh so hard, I ended up crying---I love her and look forward to being with her again. “ My thoughts and prayers are with you during this time. Truly this is a time of celebration of a wonderful long life - You were so blessed to have your mother/grandmother for 97 years. During those years, I am sure you have so many great memories that you will cherish. I, too, have fond memories of all the Posey family. We grew up knowing the Poseys in Graniteville, Langley and North Augusta and have always been able to call them "our friends".

One of my fond memories of Mrs. Marie came from our shopping trips to the "old" Kroger. It seemed we would often be there together, and one day, she stopped and asked me if I had a recipe for something - don't remember which one - ; however, that started long conversations later every time we would see each other in the grocery store. And, one of the best recipes she shared with me was a "coconut cake". She said, "the longer it stays in the refrigerator, the better and more moist it gets - BUT, it usually doesn't stay there long - it's too good!"

She was a special lady - I know you will miss her, but just always cherish those wonderful memories - treasures she left with you.

“ Your grandmother was always such a delight to be around! I remember that when I was just 16 yrs. old, she and Mary Pound's mother chaperoned a trip for a group of my high school friends to Daytona Beach, Florida! It was on that fun trip that I decided to pierce my ears. She suggested that I hold ice cubes on my ears to freeze them, then stick a needle through the ear with dental floss! I proceeded to do what she said, although it did really hurt! She marked the spot with a ballpoint pen....Ha! The next day we went shopping for small gold balls which I was to keep turning to ensure that the holes would not close up. After swimming in the salt water in the ocean, they healed very quickly! When I got home, my mother was shocked I had done this but I was so excited! I guess in those days it was like getting a tattoo or something. Also I remember going to her home for a party Steve had....that was when they lived in back of the funeral home across the street (Communigraphics today)! She was such a gracious hostess! She let us go wherever we wanted. I remember that Steve and Henry Wynn tried to scare us by taking us in the casket room! I hope you don't mind me telling these funny memories but your grandmother was so much fun to know!!!! I know that you all have fun memories of her too! I am sure that when she gets to heaven, she will brighten all of her old friends faces with her beautiful smile and humor!!!! Love, Donna Sherman

We were so sorry to hear of the passing of your dear mother. The video and tributes here have taught us a little about her, obviously beloved by so many. Please know of our love for you and your family. Our prayers are with you.*

I loved having her and Lorraine for my V/T's.It amazed me the stories she would tell and how she told them.I think V/T should be 30 to 45 minutes.The 3 of us would be having such a good time that they would stay sometimes 2hours.She said "now don't report that we stay this long".The funny thing was that SHE was the one we reported to.When I first met her she said"do you like Tuesday Morning? I said yes and she said"well lets go"and we did.What a fun lady to be with.
