“ Dan Smith was our preacher for many years. I would like to send condolences to them as well as her parents, husband, children and everyone else who loved her. I know what it is like to lose a child having lost my son 6 1/2 yrs. ago at 17. It is the worst thing a parent suffers but with God's strength we learn to go on with our lives. It is not easy but with time it gets a little easier. She will always be in your hearts and with you every day-just not like the way you would want. May God give you strength as well as many prayers for you to go on and that you find a way to honor her life. I started(after 5 yrs.) a memorial fund in my son's name to keep his memory alive and to honor him by helping less fortunate students, our church, and things in the community that he loved.

“ Amelia and I were close friends during our time in Little Rock, AR. We shared many laughs, secrets, and hobbies. She was one of the many highlights I had when going to work at Remington College. We all had such a good time and mainly that was because Amelia was such a joy to be around. When I moved in California, I didnt know a sole out there and Amelia and Donna Pearson were the first 2 friends of mine to fly out there and stay with me. I will never forget that. Also, our pack of friends at Remington College would make our best efforts to visit one another each year at Christmas time and reunite in Little Rock. I will never forget Amelia, she was a wonderful person that was ALWAYS laughing. We shared so much in common. I know in my heart she is happy and more peaceful now in heaven looking down on all of her friends, family, and kiddos. I will miss you Amelia, I love you!

“ My love to you at this time of loss. You have all been in my thoughts and prayers. I remember the first time that I met Amelia. It was 1982 in Searcy at Central Arkansas Hospital in the Business Office. I remember Danna came in with Amelia and Malesa. The girls both had on beautiful dresses, shoes and lace socks, and big hair bows. Danna always had the girls dolled up. Like Mother, like daughters!! Danna's girls were the light of her life! Amelia received her sweet beautiful spirit from her Mother. She will be missed by many. God bless.

“ I enjoyed many times as Amelia was growing up, seeing her come into worship looking so beautiful. She often took my breath away, and I usually looked for her. I remember how overjoyed Danna was anticipating Amelia's first pregnancy with Charlotte. I always loved to get updates:) I loved seeing pictures of her with her children. I felt something very special there. I loved being a part of Amelia's final months of life, though from a distance, because I learned many things. I learned to a greater degree just how fragile life is. I have seen what it means to pull together as a family in crisis, no matter what that means and no matter how long it takes. I have seen motherly love to a rare degree, exceeding anything I have ever seen. I have seen a father keep daily life going, while making every opportunity to travel great distances to spend a few more hours or days with Danna and Amelia, time and again. I have seen extended family care for the children, seemingly unselfishly. I don't know Will, but can only imagine he loved her with his best. I have seen friends pull together to wrap their arms around this family for the long haul. I have learned what this can mean to each other. I have learned how to love more. God Bless all of you who remain. Though the hole that has been blown inside you is huge, my prayer is that you feel cradled in the arms of Jesus until you cannot feel the pain as deeply as you do today-no matter how long that takes. Love all of you.

“ My memories of Amelia were generally centered around church services, fellowships and Bible classes she attended with my children in Searcy, Arkansas when they were all children and later teenagers. God bless her family and loved ones . She was a blessing to all who knew her.

“ I will never forget all the great memories we had working together at Remington, going on the trip to California, or when you talked to me on the phone when I had to go through Paducah to get back to Arkansas when the roads flooded and I couldn't get back from Kentucky on I 40. You always faced life situations with a great calmness in spirit. I know you are in heaven with our Savior eventhough we would have loved to have had you here for many more years. May God keep you and his light shine upon your beautiful face until we meet again. Donna Pearson

“ One of my fondest memories of Amelia was to see her walking down the sidewalk with her children heading to the park. I could always count on a big smile every time that I saw her. She was a very sweet lady and will be missed.

I never met Amelia, I got to read what her sweet mother would say on Facebook, of the daily challenges Amelia was going threw . What accomplishments she was doing & as her mother would read to her & helped her with her physical therapy & what great smiles Amelia would share with everyone that came to see her . She will be truly missed .God bless you, Amelia !

I did not know Amelia very well. However I served as a shepherd of the Downtown church with Brian. I think part of the time with Brian. We stood by as families suffered with their families, prayed with them and sometimes anointed them with oil and prayer. Then later when we (Kathryn and I) were on the receiving end of such ministry I grew to love and appreciate the value of the prayer of faith. I still believe in the healing power of the Lord. I do not understand why my wife of nearly 60 years lost her battle after fighting the results of an automobile crash for nearly three years. (my concept of time sometimes gets mixed up.)

I like you Will, am sometimes tempted to be angry, bitter and hostile toward the person who brought about the early demise of my beloved. But as an M.D. i know that you know and I am realizing that my anger, bitterness, and hostility would not be useful.

I say this with tears welling up in my eyes. Likewise I do not understand why Amelia passed on so so prematurely. I'm blessed that none of my children have passed on and when I see them I see Kathryn.

It does not seem fair to lose your companion with so many years ahead. I share your feeling of unfairness. During my experience I found joy and peace, comfort and strength from my family of faith. I think you are finding the same thing. "The Joy of the Lord is my strength.
