*Dana, I was so shocked and saddened to learn about Amelia. I remember how we would sit in either your office or mine and compare notes about our teenage girls, and how closely their lives parralled. I cannot even begin to imagine the pain and sorrow you are now experiencing, but know that you and your family is in everyone's thoughts and prayers here at SRS. Please accept Billy and my deepest sympathy, and know we are here if you need anything.*

“ I had just met Amelia for the first time in the library at ATC on August 25th. She came up to me and asked if I was in the nursing program. Within 10 minutes she had told me about the miracle she experienced after she had been thrown from the car she was in at age 17, she said that is proof that there is a GOD, if you need one. She said the kindness shown to her during her recovery inspired her to be a nurse. She sat by me on her last day of school last Tuesday. She did have one of the biggest smiles I've seen. I am so sorry for your great loss. I only knew her for less than a week and she made impact on my life. My heart is broken, I hope she thought of me as her friend, SHerrell Sizemore/ classmate
