Amoura was born November 26, 2022, to her adoring parents, Andrew Schoultz and Eddricka Roberson. Although her time on earth was short, she personified the meaning of her name, "Love". Her smile and laughter brought joy to all who knew her. Amoura was her parents surprise gender baby. She was celebrated at her birth and everyday since. Amoura will be forever loved and remembered as her "Daddy's Angel" and her Mama's "Barbie Girl."

Surviving family members left to cherish her memory include her parents, Andrew Schoultz and Eddricka Roberson; her siblings, Ty'Asia Roberson,

Paul Keith Jr., Kameron Roberson, Andrew Schoultz Jr., and Andrea Schoultz; paternal grandmother, Vinita Schoultz; maternal grandmother, Eddra Wolfe (Fred); maternal grandfather, Ericke Washington; and many aunts, uncles, and cousins. “ I’m the auntie of AMOURA. Aunt Nika is truly gonna miss you my sweet baby. AMOURA always brought a smile to my face since the moment I knew she was a girl. She had a beautiful spirit. She was so beautiful. I can’t believe I’m using the word was... you’re still so gorgeous baby girl. SHE WAS A JOY THAT YOU’D have to encounter to understand why this hurt so bad. She was our son Norman’s twin cousin. They were both surprise genders announced at birth born only 13 days apart. I could hardly wait for them to grow up together and understand how cool this was to have this experience. She was loved so much she had no idea. I know God don’t make mistakes but this hurt us all tremendously and now Heavenly Father I ask You to continue to comfort us during this trying time. Heavenly Father wrap your arms around my sister, Drew and my nieces and nephews. Send Your angels to collect their tears and shower them with abundance of love from not only You Father God but from AMOURA and AUSTIN too. The Robinson family sends our love, prayers and condolences to you all Eddricka and Andrew. We love y’all. Continue to be strong. We’re so proud of yall. AMOURA was a true angel on earth. She was very observant and peaceful that’s speaks volume. Im goin to miss you so much tete girl.
