“ *Willard and I served most of our military career together starting back in the early '90s. We were stationed at Aberdeen Proven Grounds together and we attended the same advanced training courses both times together. We served in Korea at the same time and after we left the service we worked as defense contractors for the same organizations. Needless to say, we had some great times together. He was a great friend and comrade in arms. I was greatly saddened by his untimely death. He will be greatly missed. Here's to the good years, buddy!*

“ *Dad
He never looks for praises
He's never one to boast
He just goes on quietly working
For those he loves the most
His dreams are seldom spoken
His wants are very few
And most of the time his worries
Will go unspoken too
He's there.... A firm foundation
Through all our storms of life
A sturdy hand to hold to
In times of stress and strife
A true friend we can turn to
When times are good or bad
One of our greatest blessings, The man that we call Dad.*

Life without you is hard. I miss you dad.

“ To the Willard Family,
I had the honor of working with Drew during my last assignment in the Army at TACOM. He was so dedicated to his job and cared so deeply for our soldiers but more so he was such a good man. I never had a concern when Drew was working an issue for our soldiers. He taught me much more than I could ever offer him in return-He was Ok with that. He was and will always be an inspiration to me! I realize there are no words that can ease your pain; however, I offer you my deepest condolences, prayers and God's peace.

To Drew Willard Family

Drew, in all of the years that I had the honor of working with was a dedicated professional that placed his supported Soldiers, Customers and fellow LARs before his own needs and wants. He will be truly missed by all who knew him and a missed opportunity for those who had not the great fortune to meet him. Again, I offer my condolences to the Family. Also, my wife Linda Sutherland had known Drew for years working for the Government and shares your loss and offers her condolences.
