“ My adopted Sister and Brother shared an exemplary love for Christ and each other for so many years: Now they continue enjoying Divine Love together. They have left me with the most precious memories imaginable, but with a void in my heart that only He can fill. We have been blessed with over 50 years of friendship and kinship. That love will continue to flow through Ken, Lib, Shep and their families.

“ My deepest sympathy in the death of Mrs. Ann. For the short time I knew her, I found a beautiful woman who loved her Lord first, her husband and family next. She was beautiful not only on the outside but even more so on the inside. May you feel God's presence as you "walk through the valley of the shadow of death."  
Blessings,
