“ A lady of dignity and grace. Her strong hugs were memorable. Her laughter brightened everyone's day. She was always supportive of friends in need. She brought friends and family together to be of service. She truly cared. “Goodbyes are only for those who love with their eyes. Because for those who love with heart and soul there is no such thing as separation.” (the poet Rumi). Miss Ann loved with her whole heart, and I will feel it always. My love and condolences to the family.

“ *The thing I remember most about Aunt Ann is her pride in her children and grandchildren. Her entire face would light up whenever she spoke of them. When she lost Uncle Yank, she spoke of how her girls, their husbands, her grands, and her friends had comforted her and carried her through that most painful time.*

My mother had helped to raise Uncle Yank. She only had fond thought of how Aunt Ann loved her baby brother and cared for him.

She loved her family!❤️

“ *I have so many memories of working with Ann but the one I remember the most is there were times we would look at each other and say *What a book we could write and of course we never did.* She will be missed by so many as well as by her family. She was a wonderful person and nurse. Linda T.*

I worked with Ann in the OR for 35 years or so. She was a great supervisor as well as a nice and caring person. She looked out for us and was always fair. She meant a lot to all of us who knew her and worked under her. She was always smiling and pleasant. She lived her family and friends. Praying for peace and comfort now and in the days to come.
