“ The memories posted are so true. I grew up directly across the street and have many fond memories of “Mrs. Rogers”. She would have to shoo me off the wrecker Mr. Roger’s would bring home as I liked tinkering with cars and other items. When we stayed out too late at the “street light” I remember her walking down and kindly reminding us it was time to go in. Praying for the family, Marilyn, Ginny and Kathy and the grandchildren who so kindly shared their memories.

“ *Grandma Rogers (Nana) always watched over every detail with perfection. Everything had to be "just right." She was a lovely hostess and a true southern lady. Her dedication to work, friends and family were impressive to me, the eldest grandchild. Our beach trips to Litchfield for (great-) Granny's birthdays were some of the best times in my early memories. Grandma's sense of color and feminine style always brought beauty to her projects. Her delicate attention especially came through in her gardening. She taught me to paint French moulding - in gold leaf - over the phone! She flew us to New York for my graduation where we shared many laughs. She loved her pets as dearly as her great-grands. We are so sad we will not see you again. But we know you are reunited with loved ones, and you will continue to live on in our hearts and memories.*

“ Nana always offered comfort and a happy home wherever she was. She cut my umbilical cord and taught me about how to treat people proper. She was and will always be a classy lady. I'll always miss you nana. I love you very much.
