“ *My brother, T. H., could never have found such a nice, sweet, loving wife than he found in Anne. Anne had that loving spirit, not only to my brother, but to everyone, especially all the children, grandchildren, and great-grandchildren. Gayle and I extend our utmost sympathy to the entire family and all the friends of the family during this time of loss. May God bless each of you and speedily mend the loss that each of you are experiencing at this time.*

“ I first met Anne when I was about 16 or 17. Her daughter, Pamela (the middle Payne girl) was my best friend. I remember pulling up in the driveway of what I thought was surely a mansion! I was greeted that day by greyhounds (Lilly and Pearl). There was a pool, and a horse! It was such a fun place to go visit!

I stayed in touch with Anne over the years. She wanted to buy my mama's house in the Rapids (after I lost her), but she ended up buying the one up the street. I was hoping she would move into my mama's house so I could continue to come visit.

I am so glad I got to see Anne before I left and moved out here to Texas. I ran into her in a pharmacy near my office. It was on the 30th anniversary of Pamela's death, and I had been flooded with memories that day. I heard this voice, and thought "I would know that voice anywhere"....I turned around and it was Anne! We talked for a long time that day. It was fun to sit down and catch up. I told her I was certain that Pamela was there with us...after all it was in South Augusta.! Rest in peace Anne. You were a great lady, and loved by many!

“ *I am so very sorry for the passing of your mama. I remember her from when we were little. She was such a sweet lady. Kim, Mama said she remembers a time (I think from either 2nd or 3rd grade when she was a homeroom mother) when our little elementary class decorated cookies and you were being so careful not to break the one you made for your mama. She said you worked really hard on it. My mama thought that was such a sweet thing for a child to do. My thoughts and prayers are with y'all. God bless.* ”

“ Hey Gran,
I'll never forget the Christmas Eve's you spent at our house and you slept in my bed with me cause I was scared. We'd turn it on the news channel that shows where Santa is at. And you'd always put a pillow in between us, in my bed or yours, cause you said if not I'd be on top of you and kicking/slapping you. Then you'd always wake up super early to get dressed and help mom and dad get everything ready for Barrett and me.

I'm gonna miss ya Gran, I love YOU!

“Granny, ill never forget the time critter, Brooke, Barrett and I all spent the night .

We all were asleep an all the sudden the house alarm started going off. We all jumped up and I grabbed a vacuum cleaner and critter grabbed the fire place shovel. No one was going to get our granny.

You called the police and they drove to the house and checked everything out, and it was all a-okay. Then once everything was settled down, it wasn't the house alarm at all it was the smoke alarm! Haha

We all had a good laugh after that.

I love you and miss you so much
