“ Ann had one of the greatest, most genuine laughs I've ever heard. The kind of laugh that makes you laugh without even knowing why. Thank you for sharing that joyous laughter with us Ann. Give Uncle Bill a big kiss for me!

“ There are so many things worth remembering about my aunt Anne I don't really know where to begin. She had an infectious laugh, a strong love of family, a level of commitment and determination that matched no other, and my favorite...made the best fried okra in the world! Family dinners were always special because Anne prepared them with love, always making everyone's favorite dishes exactly like she knew they liked them. I remember fishing at her & uncle Bill's house, playing cards all night, and being obsessed by their shoe shining machine as a child. Anne taught me how to enjoy life and have fun. I'm so glad you were a part of my life...I'm definately a better man for it! You will be missed.

“ Ann was my Aunt, my Fathers sister. I have many memories of Ann and Bill! When we were little we spent every Christmas with them celebrating all the joyous times together, eating a fantastic dinner that Ann prepared, the Champagne that was shared, the good times shared. Ann was Bills everything and he hers and many a time Sarah and I wrapped presents for Ann downstairs in the basement from Bill. He would tell us that we had to make it just so as nothing was too good for his Ann, and she was his in every way a woman can be to a man! I will miss her deeply as I am sure many will. God Bless Ann, Sarah, and Clay.
