“ I had the good fortune of working with Annette at Jackson Sportswear in North Augusta from 1976 to 1980. I was a young engineer and she helped me a lot in learning what was going on in her department as did her sister Joyce. I think of those days often and wish they would have lasted longer. It seems she had a rich and full life and I am glad to know that. To her family and friends hold on to the good memories. They will sustain you as the years go by. Joyce I wish we could be at the service but unfortunately we have a commitment we can't get out of. Keeping y'all in our thoughts. Clark
