“ I have so many wonderful memories of Annie. We grew up like sisters. A favorite family memory is the time Annie tried to ride her tricycle to our house (a number of blocks away). She got caught by her distraught parents at the railroad crossing. She was loved and adored from the moment she was born. Aunt Cutie (Annie's mother) took us to their Folly Beach house every summer. We shared so many family good times growing up in a small town. Later when Annie and Tom were living in Port Richey Annie asked me to come stay with her while she recuperated from surgery. The surgery wasn't possible so we enjoyed the times sitting on the balcony talking and laughing. Another special memory was when Tom and Teresa went to Paris. Annie and I stayed in Atlanta and took care of Alex and David. What an adventure that was! Annie enjoyed life and was one of God's special people.

“ *I was truly blessed to have Annie as my Godmother. She was a wonderful role model of a loving mother. Although I did not get to see her often, I have such fond memories of her which include: visiting her at the lake in Columbia, Summerville get togethers and of course, she was there for my wedding! Where ever she was she always radiated peace, love and joy to me. She always reminded me of a ray of sunshine! I will dearly miss her on this earth, but take comfort in knowing she is shining brightly in our heavenly kingdom. Lifting up the family during this time...you all did such a wonderful job caring for your parents. Blessings to you all.*
