“ I have many great memories working with you. I will miss you always telling me to "calm down Sandra, just calm down" when I needed help with something. You are out of pain and in a better place. God has a new angel.

*Where to begin... Tony you were one of the biggest hearted men I've ever know. You helped me when no one else was there. You were an awesome cook and just an all around awesome guy. You were and will always be one of the best Friends I've ever had. You and Sunny meant the world to me. I'm so glad you spent your last years at home with Donna. I will sneak a vote in on voting day for Trump just for you. Give heaven some hell and see ya there!*
