“ Precious memories shared by all. I'm enjoying reading what folks that knew him so well have written. Sweet testimony!

“ Arnold was such an integral part of our Rotary Club of North Augusta. He had the warmest smile and greeting to everyone that came to our meetings every week. When he was asked to open our meeting with prayer, he said the most beautiful prayers. You could tell that he was really close to his Lord and Savior, Jesus. We always like to tell the funny story about how a "card draw" was won by Arnold when it was at it's largest amount. I think he will always have the record for being the biggest winner. Arnold was certainly a winner in this life and the next and was a great inspiration to us all. We will really miss him. We will continue to pray for his daughter, Susan and all of the family during this difficult time of grief.

“ *Dear Susan and David, I have such fond memories of Arnold. He was a wonderful Realtor, Rotarian and mentor. I know he would be so proud to know I am the 2nd female President of our Winter Haven Rotary this year. We both gave orientation classes to the new Realtors and he always handed me a candy chocolate "kiss". He had a great sense of humor, wonderful smile and voice and a positive attitude. He will be remembered by many of us! Please accept my deepest sympathy for your loss.*

“ One of my favorite people in the world. He would come to The Mission of Winter Haven faithfully everyday when he lived here. My favorite thing he did is he would get up and ask everyone to hug themselves and say that's a hug from Jesus for you. Honestly if it were not for this man, being used by God, The Mission would not be where it is today. He helped Pastor Tom get his vision started almost 40 years ago. When we visited him in N Augusta two years ago he looked me in the eyes and said... "now no matter how tired you get and no matter what happens you have to keep your head up and remember that we are all here for one main purpose and that is to show others the love of God and nothing else really matters past that now does it?" And I said, no sir it doesn't and I will never forget that. A true man of God!

“ Susan and David, I just saw the news, and am grieving with you. Some of my fondest childhood memories involve your dad. He had this habit of singing to me ~ almost every time he saw me!:) And of course, as the youngest child in my family, I was able to enjoy many Friday/Saturday nights with both of your parents, either out to dinner, or being at home while they played Bridge. They were so much fun and full of life and the love of Jesus. One time when I was 12, your dad gave me and a my best friend Christy, a Walkie Talkie set (way, way before cell phones:)! I remember it as being so, so thoughtful of him. We got a lot of mileage out of those walkie talkies!! He was my Dad's best friend. I know they are having a good time now! Love your family.

“ Susan and Family.
I remember your sweet dad when we were at your house. He did not say much but when I ask if he would would like a piece of cake he said " yes thank you" and he did. He ate the whole piece and thanked me again. Such a sweet godly man. I am praying for you and your family. Love you, Nancy Gaffney

“ Arnold was one of the greatest men I've known, and it was a privilege to know him and worship with him for many years in Winter Haven, FL. Arnold's history with my family goes back to my grandad being his barber in Huntington, WV, and my dad's first quartet being a guest on Arnold's radio show there. Wonderful memories, and this dear man will be greatly missed. Vicky Clary Culpepper and family

*Dear Susan, David, and family,
I know how deeply your heart can ache when you lose a dear loved one. I also know Arnold is exactly where he has longed to be ever since he found Jesus as his Savior. He was such a witness in Winter Haven, and wherever he went. He was a very special, dear man, with such a kind heart. I can just imagine him as he was meeting face to face with Jesus, wearing that great big smile he always had on his face. I can see he and Jesus coming closer together, and as they meet, Arnold reaching out and giving Jesus one of those big 'bear' hugs he was known for, and finally receiving one back like he had never had before. He is probably hearing those sweet words from Jesus, "Welcome home thou good and FAITHFUL son".*

Arnold was a faith-filled man who served his Lord in everything that he did. He passionately loved his family, First Baptist Church, and the Rotary. I was blessed by his presence and will always remember his warm welcomes at our Rotary meetings. He was far more than a gentleman; he was a disciple of Christ who shared God's love with friend and stranger. We will all greatly miss him!

I didn't have the honor of knowing Mr. Silvert as well as others who have posted their sentiments; we shared just a few words here and there over the years at church and at church functions. What I can tell you is that it was very apparent that he walked very closely with Jesus, and that he had a very infectious smile. He would always either speak or smile every time we crossed paths. I will miss that from him, on this side of eternity. Christian sympathies to all family and friends. In His Love, Kristin Sapp
