“ Dear LawryFamily,

*I am so sorry to hear that Arthur is gone. As an Army Brats we moved all the time so as all good friends we lost track of each other. Arthur was my best friend when we lived in Augsburg Germany. We spent hours together shooting marbles in the garage at Fryar's Circle and going on adventures in the country side on our bikes! And Volksmarches! I wonder if he kept the medals.*

*Take care and he is in my thoughts.

“ *I have not seen Arthur in years, I am sorry for the entire familys loss, At one time we were all great friends, in the good old Valdosta Days, Spent many of nights at the Lawry home, and the whole gang misses him. My funniest memory is that our dog Pug, use to love he and Jennifers shoes. Please except sympathy from his friends back home, Mrs Kendal, Steve, Rilly, Bill, Kendal, John Sweat and my self Gail Sweat Julius. I was in Valdosta last month and Mrs. Kendal and I were just talking about the family.*

“ How could someone be so cool, calm and collected all the time? I don't think I ever heard Arthur complain much even in some of the worst situations at work, he just rolled with it and didn't hold on to things. I wondered how he could work so much and still come with a smile every shift. I admired that about him and hope to carry on that positive Attitude in his memory. Sarah Jane, I want you to know that your father always asked about my little Nola and asked to see pictures. He'd say "man, they grow so fast! Enjoy every minute!" The way his eyes lit up and the way he smiled, I knew that it made him think of the days when he carried his little girl in his arms. So much love and prayer going out to the Lawry family. I hope that you all can feel it.

“ I remember him being my scout master and first young men's leader. He is an amazing inspiration, he is very hard working and always cared for others. He got me to star within the time period of a couple of months. When I complete my eagle project, I will do so in his memory.

“ Arthur was a quite man but a wealth of knowledge and a true friend! One of the things I liked about Arthur was you knew where he stood on things and you knew where you stood with him no matter what. He was a great nurse but more importantly he was a great friend! He was taken way before his time and I will miss him very much! Rest in peace my friend and can't wait to see you again!

“ Arthur,  
*I cannot say that we were the closest of friends, or that I worked with you for many years, as it was only a few. I can say that even when I was on the "all guys" side, you were the one to help me clean and turn my patients. I loved your infectious smile and chuckle. Only you could make the most out of a crazy, understaffed, stressful night. We would all laugh with you at one point or another during those crazy nights. After leaving nights, I felt comfortable leaving my patient in your hands. You were always attentive and caring for them. No one can ever replace you! Your cheerful, positive attitude will surely live on! We love you!*
