“ Ashley touched the hearts of everyone in the Pet Bunny group with Criss's wonderful stories of Ashley's love for animals that she undoubtedly learned from her mom. Some of us feel like we have grown up with Ashley over the years, going from a teenager to a lovely young woman who cared about people and animals. There are no words to express how we all feel over the loss of Ashley and she will be remembered in our hearts and minds for ever.

You did an incredible job raising a beautiful, strong and independent daughter and she knows she is loved always. Our thoughts and prayers are with you in the months to come. The world is dimmer and Heaven a bit brighter since she left us, and I'm sure there was a stampede at the Rainbow Bridge to greet her.##imported-begin##Anne & Steve Walizer##imported-end##

“ Criss -- There are no words to convey how sorry I am that Ashley had to leave so soon, too soon. Her photo album is wonderful and shows what a beautiful soul she had , but it only scratches the surface. I will forever carry Ashley's life and passing with me. We all have to be a little more brave, a little more caring, and a little more strong now that she is gone -- because the world needs more women like her.##imported-begin##Jenny Riley##imported-end##

“ Criss and Jack, words can't express what I am feeling for you, and for what I know you are going through at this time. Although I did not know Ashley personally, I felt that I came to know her through your posts to Pet Bunny, Criss. She was truly a beautiful and inspiring girl, with a big and open heart. Many creatures and people benefited from having her in their lives. Know that she is not truly gone; she has only gone on ahead, where she lives still, up in Heaven, watching over you and your family.

“ Criss & Jack, We prayed continuously for Ashley from the time we learned she was gravely ill. God granted her a miracle, the miracle of life everlasting. It was not the miracle we were hoping and praying for, but a miracle nonetheless.

Ashley will forever live in our memories. She was a lovely girl who was blessed beyond measure to have the parents she did. Although her stay was brief I believe she lived life to the fullest.

She will be watching over you two as you go along lifes road. I am sure she will continue to watch over all the dogs, bunnies and cats too.

Ashley was and will forever remain a true, one of a kind ANGEL!

Our love, prayers and sympathies go out to you and your family.##imported-begin##Rhonda & Dale Welch##imported-end##

I am so very sorry that Ashley had to leave at such a young age. Her life was inspiring to us all. Bunnies and dogs benefited from her life due to her love and devotion.
