“ Our hearts are heavy as we think of Ashlynn and family during this time. The pain of losing someone you love will seem to be more than you can bear sometimes but God has you all in his warm, caring, loving arms. He will give you the strength and solace you need each and every day and you have such beautiful memories of Ashlynn to cherish always. We remember so well when Ashlynn and Brittany were small you didn't see one without the other, there was a bond between them that couldn't be broken. We will keep you all in our thoughts and our prayers and wish you peace going forward.

“ *So blessed to have gotten to know Ashlynn. She was a beautiful girl inside and out with such a beautiful spirit. She brought a smile to everyone she came in contact with and had such a kind, loving heart. I will always remember her coming in the door with Evan with the biggest smile on her face. She loved our family and was so sweet to Zachary and Chasidy. Our whole family just loves her so much. We are so heartbroken for your family. Praying for God to be with everyone during this tough time.*
