“ Hi - I didn't personally know Audrey or the family, but have a special needs son of my own, and can only imagine the pain and loss you are experiencing now. Audrey looks like she was a very happy child, and I'm sure she was a great blessing in your life. I think there is a special place in Heaven for kids like her. I can picture her walking and playing, and having a wonderful time there. May God comfort you in your loss - your family is in my thoughts and prayers!
