“ Rhonda, I know Grannie meant the world to you over the years. Just remember, you spent a lot of time with her while she was here on earth. I will always remember the the good times we had at her house in N.C and the good times we had at christmas. I will never forget the look on her face on Christmas morning when she would open her presents. No one can ever take this away from you and I know it was Her favorite times of all, as she told me that on many ocassions when we were alone and just talking. Grannie's cooking biscuits for all who have left us, especially Mack & Papa who loved them so.##imported-begin##Gary M Roberts##imported-end##
