“ My deepest sympathy to all of you in Barbara’s family. It is a heartbreaking loss. Barbara was a warm, loving and generous person. Those are traits she shared with her mother, Ruby Johnson, who was a dear aunt to me and my brothers. I remember so well visits and family events and how much they meant to me as a youngster. So glad to have shared those with Barbara and her family. I know she was a devoted wife and mother who loved all of you deeply. I pray you find peace and comfort during this difficult time.
