“ *Sharon, I am so sorry for the loss of your mom. She was a sweet lady. When I visited her at the NHC Nursing Home, at the time I took flowers and gifts to her from you, it was so sweet to sit and talk alittle with her. She may not of understood a lot but she tried to respond each time. I know she knew what I was saying. When I mentioned your name, she knew who I was talking about, she would try to respond more but she couldn't. Alzheimer/Demintia is a terrible disease and it is so hard to see our parents with it, as you know my daddy had it also, but now we know they have a great mind as they are now in the presence of our Heavenly Father. Our thoughts and prayers are with you and your family now and always. We love you.*
