“ *Sorry to learn about the death of Barbara McCarthy. This must have been a difficult time for all. Therefore, I am forwarding scripture that will comfort you. Psalms 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it but not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 says...It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgment on sinful Adam.##imported-begin##J Nunnally##imported-end##*

“ Pat, Jo, Kristen, and Rick - MANY lives have been blessed by Barb's laughter, love, and kindness. She always had a song in her heart and I am thankful for the music that brought us together. She's the only person I know who could out talk me and loved flowers as much as I do!! Even though my heart is very, very sad at her absence in my life, I can only smile when I think of how thrilled she is to be with Danny again. One of my greatest blessing in knowing and loving her is getting to know and love each of you. Please know I am here for you. Always, Amelia##imported-begin##Amelia Pate##imported-end##
