“ *To the Family.*

I am sorry for the lost of your family member and dear friend. I have an encouraging message that I would like to share with you from God's Word the Bible.

Like many people we all want to live and enjoy life with the ones we have lost to this aged-old-enemy death. Sadly, though because of health issues, injustice, crimes and old age we have to suffer the pain when ones fall asleep in death.

In the Bible at John 5:28,29 Christ Jesus states that all those in the memorial tombs (graves) will hear his voice and come out. These ones according to Psalm 37:11 will be resurrected right here on the earth.

The Bible also gives us comfort and hope at Revelation 21:3-5 which assures us that the day is soon to come in which our Heavenly Father is going to wipe away the tears of sorrow from our eyes forever and death will be no more.

I hope that after reading this that it will be of comfort to each of you.

“ *The unmistakable hallmark of the Luton family is their unconditional love and devotion for family. So the loss of Barbara, an especially gifted person, will inflict upon them a grief most of us can only imagine. My heart goes out to them at this time.*
