“ *Barbara was a very kind hearted good person. She thought of others and gave me advice in JH school. If she was told I might have been getting out of line or in a little trouble she would talk to me and try to put me on the right path. One great memory was going to a church event downtown augusta and we won all the teen games together . She has never left my heart and I think has some how guided me and reminded me to be a good person. Very sorry for the family but she we always be looking over the people she loved.*
