“ Sheryl, John, Cliff and family,
My sweet friend, there are no words that I can say that you haven't already heard. My thoughts and prayers are with you and your family at this time and in the times that will come. I too have had to say goodbye for now to both of my parents and like you I am looking forward to seeing them both again when Jesus calls me home. You were a awesome daughter Sheryl and I know you've had the support of your loving husband John and son Cliff. May the Lord comfort and strengthen you today and always. I love you friend.

“ I know that all your precious memories will get you through this time on earth. Knowing that she is in a better place and is not suffering any longer should comfort you all. Don Moen has a song "if you could see me now" puts death in a new perspective. If you have the time please listen to it. The lyrics are below. I pray that it will comfort you as it did me when my sister passed. God bless you all!

*Our prayers have been answered
I finally arrived
The healing that had been delayed
Is now realized
No one's in a hurry
There's no schedule to keep
We're all enjoying Jesus
Just sitting at His feet*

*If you could see me now
I'm walking streets of gold
If you could see me now
I'm standing tall and whole
If you could see me now
You'd know I've seen His face*

*If you could see me now
You'd know the pain's erased
You wouldn't want me
To ever leave this place
If only you could see me now*

*My light and temporary trials
Have worked out for my good
To know it brought Him glory
When I misunderstood
Though we've had our sorrows
They can never compare
To what Jesus has in store for us*

No language can share
