“ lots of wonderful memories, but I will share one we all took off to go to Fernandina Beach Florida to the walls house fishing. It was a Friday evening after you, Bobby Edmond got off work. you had a Volkswagen fan green and white Bobby and Pam lay down in the back with the kids. They were sleepy and went to sleep so you were driving you got sleepy so I drove at the halfway point I was only 8 1/2 months pregnant with Linda and so excited to be going I drove all the way to Fernadina Fla woke you up to ask directions to the walls house you took over driving we pulled up woke up Bobby and Pam and the kids. I would tell more. memories, but it take all day rest in peace. †

I remember Barry from hanging out with his sister Teresa, when we were teenagers. He later went on to be with Melanie Bentley, who was a friend. She loved him so much. I'm certain they will find each other again in heaven. RIP my friend..... We've all gained another angel...
