“ *From a young girl I remember Uncle Wayne as always having a smile and always had some comment to bring a smile to my face All through his life (no matter the age) Uncle Wayne left a little laugh and joy inside my soul. He did have a serious side I would glimpse now and then if he disapproved of someone's actions (or political fopaux)*

But a person could tell there was a lot of God's Love in his heart, especially for his wife, his girls, family, friends, and others. God blessed Uncle Wayne and God keeps blessing me as I remember him. Gloria Lee

“ Saturday, December 13, 11:15 AM EST, my daddy took his last breaths. He is no longer suffering from dementia and pneumonia, sepsis, and respiratory failure and for that I am grateful. I am so very thankful for the time I had with my daddy! He is the one who taught me how to play baseball, to love the Atlanta Braves, and to drive. He also enjoyed collecting baseball cards and coached baseball at Belvedere Dixie Youth for many years. He was formerly a member of the Belvedere Volunteer Fire Department and was a sheet metal worker by trade. He was a proud grandpa to his only grandson, Geoffrey. He also never met a stranger and helped many "strays" along the way in his life. Goodbye Daddy! I will always love you! Paula
