*“ I am so sorry to read this. Belva was such a kind and genuine person. Years before she became sick, Bill or I would often get her newspaper and run it up to her door for her. Always so lovely to have a short visit. She will be missed here but Heaven is a little sweeter today*

“ We were so blessed to met the Lacey’s family when we moved to North Augusta 49th year ago. They were so caring, loving, wonderful family that they took us and our children and treated us as family. Going to their house for homemade Ice Cream their watermelon get together, etc. Going Horse back riding with the children on Saturday etc. et. Belva will be missed by those who new her and her lovely family. Belva now you are resting in peace and united with your lovely family. Your family will missed you immensely as well as those that new you. I always will remember when my Mom came to visit us and she asked her to fix Egnog the Spanish way for her. They became good friends and she always got and enjoyed her egnog. She will bring a bag an put it there and told her husband is a gift from my mom. Linda, Lacey, Tim and the rest of the family praying for peace and comfort knowing she is not suffering any more and united with her love one. We were so blessed that God put us since day one we moved meeting you and your lovely family. Belva is gone but never will be forgotten by those who knew her. Those are the great memories that we take with us.
