*Ben, you had an impact on everybody around you and you never were afraid to speak your mind. You had an incredible drive that pushed you and everyone around you to be the best. You achieved any goal you went after, US Army Veteran, Husband, Father, Coach, friend, Quality Manager--you never stopped until you met or even surpassed your goal. Thank you for making me a better person, being a good friend and sharing all of the football stories with Mike and myself--I am definitely going to miss my friend Ben. God bless you and your family.*
