“ *One day after Shirley had gone shopping he invited me to come see all his horses and stuff, he had a lot of both. Of course we got stuck in the mud as well as tangled in the fence. With help from tools, chains and tractor we finally got back to the barn covered with mud. Shirley was not amused but I think she was happy that we had quite the adventure.*

*You will be missed. Our thoughts and prayers go out to the family.

“ It was an awesome man with an awesome heart. I'm truly regretful he came into my mother's life and make sure she didn't want for anything. Same for my daughter. He treated her like his own granddaughter.
