“ *To my dear friend Bernie who I will miss more than anyone will know. Your friendship was special as you were. I enjoyed working with you and our lunches after we both retired each time you would visit your kids in Oakfield were always such a good time. May you suffer no more, rest in peace and watch over all your loved ones from above. When we meet again, it's your turn to buy! Thoughts and prayers with Pat and her family with wonderful memories to help guide you through these difficult times.*
