“ I was saddened to read about the loss of your loved one. It reminded me of losing my Grandmother a few years ago. There are no words to describe such pain. I know of a brochure that gave me much comfort when I was in pain and I can get you a copy if you wish. It's called "When Someone You Love Dies". Then, maybe you can find some comfort and some answers from the Bible, after all, 2 Cor. 1:3 says in part: "Blessed be the God and Father of our Lord Jesus Christ, the Father of tender mercies and the God of all comfort". If you would like a copy of the brochure, you can email me at tmmillard@yahoo.com and I will mail it to you free of charge.

“ Brian, so very sorry to hear about your Dad. I have fond memories of him, always by your side at sporting events. My Dad remembers Bernie well, as they worked together for quite a few years at the plant. We talked about you all the other day, and about days gone by. Take care Brian. We're thinking of you in this difficult time. It's been many years since we've seen each other, but the ties are still there. Thoughts and prayers to your family!
