“ Chris and family, I am so very sorry for the loss of your precious Mama. My heart hurts knowing the pain that you are experiencing, the grief you are carrying, and all of the additional feelings that come with the loss that is as great as yours. My prayer for you all is that you will all fall into the arms of Jesus and allow Him to carry you and to walk you each step of the way through your grief process. One thing I know for certain is that he can and will get each of you through this, even when it feels unbearable at times. You will remain in my daily prayers.

“ I am so sorry to hear of the loss of Beth to this world. Although I wasn't a close friend of hers, I felt close to her in some way through our get togethers with my sister-in-law Debbie. She was always fun to be around and easy to connect with. I will miss her even though I wasn't in her company very often. I can't imagine the hurt that her family members and friends must be feeling right now. I can just say that I am very glad to have known her through these last 15 or so years. She was a delight to be around. I always looked forward to the fish fries we had at Debbie and Eddie's house where Beth and Bubba were always a part of the crowd. I will miss her and I'm so sorry for the loss to her family. I know loved her dearly.
