“ My name is Mary Frost and my daughter, Lisa, and I live next door to Betty in the Townhomes. I have only known Betty since October, 2019 when I moved down here from Michigan to live with Lisa. Betty was the sweetest little lady and was always happy when I came over to visit and never wanted me to leave. Each time I came over she would tell me the same stories and no matter who she was telling me about, she would go get their picture off the bookcase or table and dust it off with her sleeve or her hand before handing it to me. She would also make a point every time of telling me how old she was and that she was 9 years older than me.LOL She would always show me her freezer and how her daughters would stock it with food for her and tell me what good care they took of her. She loved her cat "Gabby" so much. One minute she would love her and the next minute she would say what a little brat she was. I will miss you sweet Betty very much. Rest in Peace in your new home with the Lord. I love you.
