“ *Christie, Your mom was such a soft spoken, sweet lady. I have many memories of her back in our elementary school days! She had the nicest smile and I always felt welcome. Thinking of you and your family. May God comfort you.*

“ *Mrs. Brown was always so positive and kind to me. For many years she was my go to person to find out about any new restaurants that had opened. She and her friends would seem to go to every place to eat in North Augusta/ Augusta and would be a great resource of rather it was good or not. She knew food:). I am thankful I knew this sweet woman. God bless her whole family at this time.*
