“ *May the family find strength in knowing that Ms. Betty was a loving, kind, spiritual lady. I had the opportunity to visit with her several months ago and was so surprised to find her the same perky, positive lady I had remembered. She, at that time, told me she loved everything about where she was. I am blessed for having known her. Mr. Dave worked with my father at "The Plant" and one of my brothers considered Ms Betty to be his second Mother. She is having the time of her life now, seeing all of her old friends and as always, making new ones. All of you take care and always remember how lucky you were to have had her in your life.*

“ *Betty waited on my friend Terri and I at Krispy Kreme. We would bring in our 4 young children weekly. She was always so kind to us. When those children grew up...some of them had Martha as a teacher.*

“ *Our hearts will recall the scenes we have of Betty for many years to come - until we meet her again in Heaven. She was one of the sweetest people from our Wesley Chapel days and quickly became a friend we cherished. God bless you all with comfort knowing her faith is sight, and now walks with the one she lived her life to meet - Jesus Christ. We will see you Monday. All our love to all of you.*
